

Wednesday 13th January 2021

Dear Parent/Carer,

As you will know your child is entitled to Free School Meals and this week you were offered a food parcel in lieu of these meals.

We have yet to be informed of an official Government food voucher scheme during this period of school closure, however, are in a position to offer interim vouchers from next week.

We will use the information you provided us with for the Christmas voucher system, unless you contact us to let us know of any changes. **Please ensure the email address you have provided is your personal address and not one that people from outside your family group can access.**

Please email at office@stgprimary.org if you need to contact us regarding this matter.

Kind regards

Mrs Clare Snape
Head of School
