

Remote learning letter

Dear Parents/Carers,

National Lockdown or School Closure

Unfortunately, schools are being told to close again for all children, except for vulnerable children and for those whose parents are key workers.

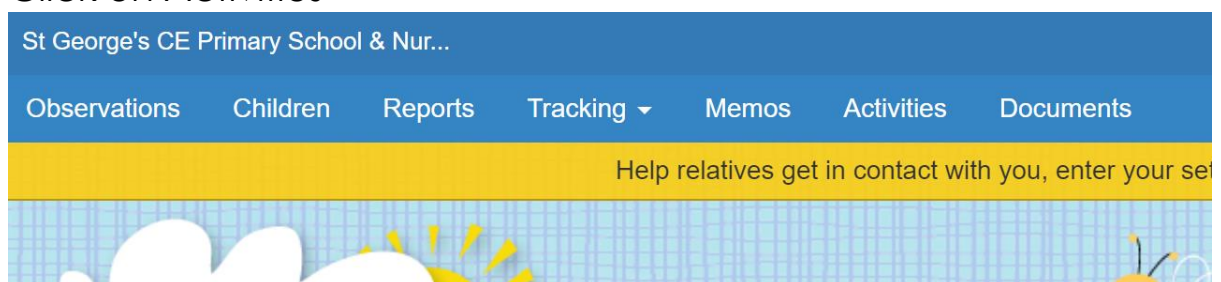

Your child will be able to access remote learning from Monday 11th January. Work will be accessed via Tapestry, which will be uploaded on a daily basis.

Activities

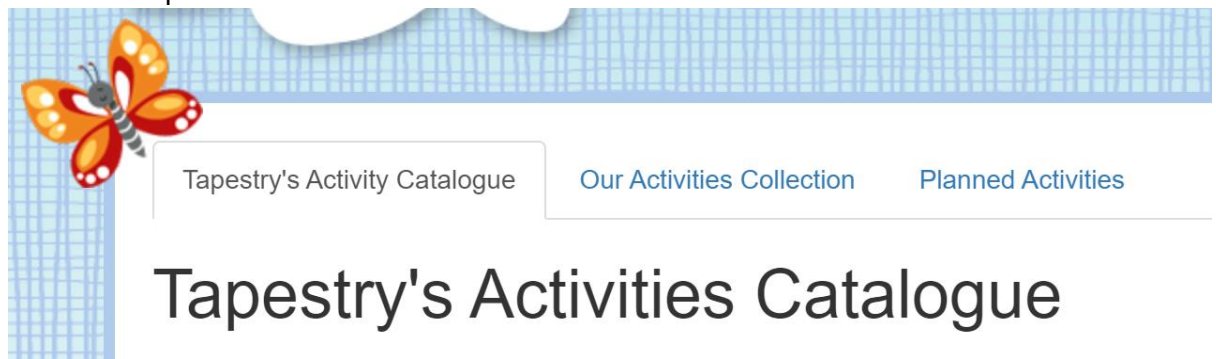

Please endeavour to complete the activities that will be uploaded on Tapestry for each day. Please upload some photographic evidence (once a week) of your children's achievements onto Tapestry by **Thursday evening**.

To access the activities please use the following instructions:

1. Log onto Tapestry
2. Click on Activities

3. Click on planned activities

4. Then you will see the activities that have been set

Reading books – these can be changed during the closure, please contact the school office to do so.

Whilst your child is at home, you will receive welfare phone calls from school staff. If you have concerns at any time, please phone the school office 01562 824206.

Kind regards

Mrs C.Snape

Head of School
